

# Welcome to History at Arnewood!

Over the next few years you will study lots of interesting people in your history lessons including some of the following ...  
how many do you recognise?

**Ask a parent or carer to help you!**

# Do you recognise any of these people?

# Your historical hero!

- Your history teacher can't wait to start teaching you!
- To help them get to know you, create a postcard about your own historical hero.
