

Welcome to Music at Arnewood!

Over the next few years you will be studying lots of different types of music.

You will be learning about why they started and what their features are. You

will also be learning how to play examples of these types of music!

Famous Musical Artists

Can you name all of the following musical artists? Get a parent or carer to help if you get stuck!

Your musical hero!

We can't wait to teach you music – every year we are amazed at the musical talent that so many young people have.

We would like you to design a poster about your favourite musical artist or hero.

Your musical hero!

Why is this musical act your favourite?

What are your favourite songs and why?

What background information can you find out about your musical hero?

- Include information about who your favourite act is and why!!
- What sort of music is it, and why do you like it?
- What other info can you include?
- What images can you find that you can use?

Your musical hero!

In September, bring your poster in when you have a music lesson. We'd love to have a look at it and find out more about you and your musical tastes!
